Henry Ford 2025
Sinus & Nasal
Symposium

A Multidisciplinary Approach to the Nose, Inside & Out

September 5, 2025

The 6th Annual Henry Ford
Sinus & Nasal Symposium

is a full-day CME event designed for any physician, advanced practice practitioner, resident or medical student who treats surgical and non-surgical disorders of the nose and sinuses. World-renowned local and national faculty will present on a variety of topics in this field.

All lectures will be case-based, covering a variety of topics, including:

- Nasal obstruction overview
- “Empty” nose syndrome
- Caudal septum tips and tricks
- Saddled nose management
- Evaluating nasal and sinus disease
- Chronic rhinitis
- Postnasal drip
- And more!
