## Henry Ford 2026 Sinus & Nasal Symposium

A Multidisciplinary Approach to the Nose, Inside & Out

## October 2, 2026

## The 7th Annual Henry Ford Sinus & Nasal Symposium

is a full-day CME event designed for any physician, advanced practice practitioner, resident or medical student who treats surgical and non-surgical disorders of the nose and sinuses. World-renowned local and national faculty will present on a variety of topics in this field.

**All lectures will be case-based, covering a variety of topics, including:**

- Nasal obstruction overview
- Management of the nasal valve
- Septorhinoplasty
- Septal perforations
- Evaluating nasal and sinus disease
- What's new with polyps and biologics?
- Postnasal drip: what can we do?
- And more!
